

Notice for Enrolment of names of the applicants willing to take admission

A list for willing candidates belonging to the **UNRESERVED and RESERVED** category will be published soon for the subjects: **English (General, OBC-B, SC), History (General), Political Science (General), Economics (General), Chemistry (General, OBC-B) , Geography (General, SC, OBC-B), Physics (General) and Psychology (General, SC, OBC-A).**

Applicants of the above subjects whose names have been published in the Merit List (provisional) on 13/08/2022, and whose names are yet to be called for online e-counseling are instructed to enroll their names for the course(s) they have applied for by availing “Willing Student” option in the admission portal. **The option will remain open from 6:00 am on 8/09/2022 till 12:00 midnight on 10/09/2022.**

IMPORTANT: Applicants whose names have been already announced in the online e-counseling process till 6/09/2022 are NOT eligible to register their names under the willing category. Also, any application in subjects other than the above-mentioned list will not be considered.

Registering name in the willing category does not guarantee admission. A new merit list will be prepared according to the Total score point (or, merit marks) from the names of the candidates enlisted under the willing list category. Online admission will be conducted on the basis of this newly prepared merit list and, available vacancies in a particular subject. Once the willing list comes into force, all future e-counseling processes will be done from the newly prepared merit list based on willing candidates only.

If any candidate fails to register her name in the willing list option, her name will not be considered in the e-counseling process in the later phases. The college will not entertain any claim to admission later by such candidates.
